

Description of the Design from the artist:

The logo depicts three girls of different ages, the oldest demonstrating leadership and poise at the podium, while the other two look up to her. The background is blue representing Fidelity and the friendships created between different ages, abilities, backgrounds, etc.

They are encircled by a circle of red, for Love. Additionally, I chose green for the banner since green represents Immortality, symbolizing that our organization has been around for 100 years, and we plan to continue to grow and expand for years to come!

Lastly, the emblem, circle, and girls are supported by violet hands. The basis of our order is based on service and supporting one another, and I believe these hands help to represent that and show that we promise to keep uplifting our members.
